

Thank you for being the prayer point person and filling out the online form for our Allegheny West GMC prayer team. One of the tasks you will have is to let the people in your congregation know what to be praying for in the GMC. Sometimes those requests will be urgent and specific. If you have not yet filled out the on-line form to be the prayer liaison for your church family, please do so at:

Each month I will send you an International Prayer Network Guide and the Prayer Requests for your congregation for that month. Please, pass this along to your prayer warriors at your congregation, Allegheny West! We're praying that the work of the GMC is never by human effort, but springboards from the prayers of all those who sit in the pews, volunteer in local and global mission, those who teach Sunday School, who clean the sanctuary, who work the sound and lights! Yes, we want the whole priesthood of believers in their prayer closets bathing all planning, ministry, and every effort of love extended by the GMC in heartfelt prayer!

Also, each month, I'll be sending you some ideas on how to engage your pastor and congregation in this prayer effort. Please be sure to ask your pastor how he or she desires you to get out the Prayer Guide and Prayer Requests. Some of you have indicated you have a "prayer email," others have a prayer meeting, some call by phone. Whatever method you use, we just want everyone actively praying!

Lifting each congregation and extended ministry as incense to the throne!

Serving Him with you,
Cindy J Harvel
