

April 1, 2024 Allegheny West Letter to Prayer Point People

Paul passionately shared, “My goal is to know Him and the power of His resurrection and the fellowship of His sufferings, being conformed to His death” (Philippians 3:10, HCSB)

We love that “power of His resurrection” part, but don’t dwell too much on the “fellowship of His sufferings.” As part of humanity, though, let’s face it, we will all have periods of suffering, places of challenge, tremendous hurdles to overcome. Will we like Jesus, go to the garden and “pray up?” Or will we like Peter, fall asleep and then lose heart during the crisis, denying our faith, distancing ourselves from the only One who holds us and empowers us to be overcomers in the difficult times?

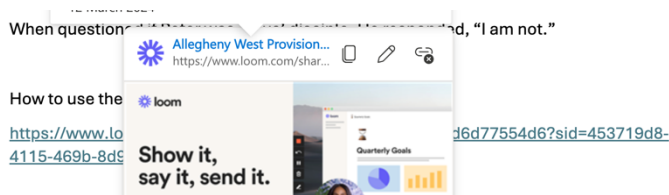

Only the tender closeness of His Precious Presence can keep us, strengthen us, and hold us tight to Him in the most difficult of seasons. I pray each of us as intercessors will hold tight to our Cross-Bearer!

Dutch Sheets quotes Timmerle DeKeyser in His Book *An Essential Guide to Prayer*. “I believe this is His reward for us, His intercessors: He bring us into such an amazing depth of His presence that it is hard for us to leave that place. It’s like a little sneak preview of Revelation 4 and 5. How could I live any other way? I’m spoiled for the ordinary. I’m in love with a King.”

Yes, prayer partners, that’s what intercession does! Spending deep, fervent time with Him spoils us for this world, makes us long for eternity. We are truly in love with a King.

Praying for you to be immersed in His Presence this Easter week, finding pleasure in His Presence!
